Hi Doc Larry,

Please find attached Christina's and my submission for the Simio case competition. I've attached a PDF of our write up as well as our simulation models (which we broke into three parts in order to run efficiently on our systems).

Also, please let me know if you'd like us to provide any additional information.

Thanks,  
Bruce

Thanks. This one will go forward.  
Plan on it, and get the videos ready. You are approved for submission.

So, I went through my emails from Simio (plus my junk inbox) and the Simio site and couldn't find where to actually submit our case. Sorry if I'm missing something obvious, but would you please point me in the right direction?

Thanks!

Hi Doc Larry, on the submission page, there is a required file labeled "Letter Signed by Faculty Advisor". Is that something you need to furnish separately? Or can I just print out your email indicating that we are good for submission? Thanks.

Go ahead and use the email as proof, but I will prepare a secondary letter as well.

Best,

Larry
